## Driver registration form

All drivers attending BPPC races are required to have an official BFPCR Racing Licence number.

Licence numbers are valid for the entire season and must be entered on team sheets at each race. Any driver without a licence at a race will be required to purchase a new one. Whilst we can handle occasional, one-off registrations on race day in this event, we offer no guarantee that licence numbers will be issued and scrutineering done before the start of racing.

The cost for this is £0.50 per driver for all drivers who qualify for PC2 (and by extension, PC3 and PC4) (16th birthday on or after January 1st 2012) and £1.00 per driver for all other (PC1 only) drivers.

If you have any as-yet unlicensed drivers who are expecting to race at any BFPCR event this season, please include their details here. Please write clearly!

Please make cheques payable to “BFPCR”. If necessary, use additional copies of this page.

All details given here are kept confidential and will not be passed to any other body.
